

# WANTED

**FOR CRIMES AGAINST ANCIENT FORESTS**

## **KIMBERLY-CLARK and KLEENEX**

Kimberly-Clark has been found guilty of making Kleenex brand tissue products out of clearcut ancient forests, including Canada's Boreal forest. Ancient forests are home to threatened wildlife such as woodland caribou, grizzly bears and wolverines and are essential in the fight against global climate change.

**Stop Kimberly-Clark from destroying our ancient forests.**
